

Message from the Walk Chairs...

As Chairs of the 2011 NFJC Walk for CommUNITY, we encourage your organization to become involved in this annual family event that highlights and celebrates WNY's diversity while being united in representing the values of the community.

The Walk for CommUNITY is an opportunity for people of WNY to walk together as one and to celebrate a sense of community right here in WNY. Proceeds from this fundraiser are utilized by the NFJC throughout the year to support its many diversity programs. Such initiatives as the Community Build Diversity Retreats, Youth Leadership Conference, First Time Last Time and other very important programs of the NFJC will benefit from this fundraiser.

This year's walk goal is 1000 walkers and \$125,000, and with your help and support we can meet or surpass that goal!

Diversity coupled with unity helps to make a community stronger. We recognize and support community efforts to increase inclusion and diversity here in WNY. We believe in the mission of the NFJC— "overcoming racism, bias, discrimination by building understanding, respect and trust through education, advocacy and community involvement".

Sharon and I have been closely involved with the NFJC for many years as supporters and a former Board Chair. Join us to learn how your company can support the NFJC and all of its diversity services. There are many ways you can become involved including Walk Team participation; please call the NFJC at 853-9596 to be a part of this important mission.

Thank you and we look forward to hearing from you!

Sharon and Larry Levite
